The hearing of the claimant's application dated 23.06.2022

will take place at 10:00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by s.11 in accordance with his directions. Your case may not be allocated to a judge until the day of the listing, and you have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to conclude at this time. This may mean that your case will not be called immediately at the time scheduled, but may be called later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300.123.5577

Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. London County Council is committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as usual via email, by phone, in person or in writing by:

- emailing RCJ DCO (justice.gov.uk, or central.london.county.dco@justice.gov.uk)
- phoning our Disability Contact Officer 0207.947.6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Important note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around the building and support before the hearing.

- 1.1 you need a parking space (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.

- email: RCJ.DCO@justice.gov.uk or central.london.county.dco@justice.gov.uk
- tel: 0207.947.6063

- your case number
- car registration, make, model and colour
- your home address and issuing authority.
- Wheelchair access to the RCJ is available at: West Gate (9am - 4.30pm), and Bell Yard North (9.30am - 4.30pm).

Security and the main entrance have intercoms linked to RCJ Security.

- Step-free access (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.

- Accessible toilets are located throughout the RCJ. Maps are available but please let us know if you need details in advance.

- If you have limited mobility, we have a limited number of manual wheelchairs available for use. You may bring a carer to support you using the wheelchair.
- Support Through Court are a charity supporting people who face court alone so that they can represent themselves to the best of their abilities. You can find out more information on www.supportthroughcourt.org or phoning 020 7947.7701 .
- Assistance dogs are welcome in all HMCTS buildings.

The hearing.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins
- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (and available at reception and at our public counters). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

You will recall that I had specified that the 6 Banks against whom I have complained to the Financial Ombudsman over the past year are to be treated as one complaint perpetrated by the State authorities involving the Security Services; the original Case numbers are as set out in the link here: <https://www.knowledgeassessmentanddissemination.com/post/press-release-concerning-the-financial-ombudsman-service>.

This investigation is taking far too long for my needs and I call upon the Ombudsman to speed it up by forcing the Banks to issue there final written replies to you which you will then pass on to me for review of the attached developments THE MASSACRE TAKES SHAPE-digital.pdf

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

<https://www.knowledgeassessmentanddissemination.com/forum/questions-answers/making-it-up-as-one-goes-along>

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Wow Shantanu! Since I emailed you earlier this month an amazing 1,737 people have chipped in enough money to buy over 21,000 packets of bee-friendly seeds to send out to people up and down the country. I wanted to see if you could chip in today too, and help double the amount of seeds we can buy? We're hoping to match last year's 60,000 packets sent out - and by chipping in today you get to be one of the first to sign up to get a pack in the post!

Use the buttons below to make a secure donation today to help our bees - or read on for more information about the plan!

Chip in £10

Chip in another amount

It's one step forwards and two steps back, Shantanu.

We finally get a government that keeps bee-killing pesticides off our fields, just in time for a new report that fertiliser use has HALVED pollinator numbers. [1] Combine that with the fact that we've lost 97% of our wildflower meadows since the 1930's and it paints a pretty bleak picture for our bees. [2]

But we're not the kind of people that sit around when bad things happen. It's why thousands of us pushed the Government to take action for our bees. [3] Now there's something else we can all do to help. If thousands of us plant bee-friendly flowers in our gardens, on our windowsills, or in a nearby green space - replacing those lost wildflower meadows - we can help our bees thrive this spring.

The plan is to send out bee-friendly flower seeds to people all across the UK. But to do that we need the funds to buy the seeds and post them out. Each packet costs about £3.50 to buy and

send. So the more people that chip in now to launch this project, the more seeds we can send out. And the more we can help our buzzy friends.

Please can you chip in to help save our bees? You can make a secure donation here - then after you donate, you can sign up and be one of the first to get your own seeds:

38 Degrees only works when all of us come together to do what we can for what we believe in. Not everyone can afford to chip in - especially during the cost-of-living crisis. That's why it's so important that those of us who can, do. Then we can make sure that thousands of bee-friendly flowers crop up all over the UK this spring.

This isn't the first time 38 Degrees supporters have come together to plant flowers for bees - last spring 60,000 of us signed up to get some seeds in the post. So let's do it again this year. Whether you've got a plant pot on a windowsill or a garden in the countryside, these seeds can be planted anywhere across the UK.

Will you chip in to help buy and send out bee-friendly flower seeds, so together we can save our bees? Spring is on the way, so we need to buy, post and plant these seeds as quickly as possible!

Thank you for everything that you do,

Megan, Anna, Amoke and the 38 Degrees team

38 Degrees wouldn't exist without you, Shantanu.

We take £0 from governments, corporations or political parties - 95.7% of our funding relies on people like you donating a few pounds when you can. But to keep it that way, we need to raise enough each month from incredible supporters like you, reading emails like these. Your regular donation will ensure we can tackle the challenges we're facing as a country head-on - without worrying about how we'll pay our staff or afford our activist technology.

If you don't already do so, will you consider setting up a regular donation of a fiver, tenner or whatever you can spare? Click here to donate securely:

Conservatives and Reform need to form an electoral pact and fast to stop Labour

in Conservative Libertarians-UK

<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/conservatives-and-reform-need-to-form-an-electoral-pact-and-fast-to-stop-labour>

The prospect of a Labour government is so alarming to TCLP-UK that the Starmergeddon of high taxes and high public spending with concomitantly now entrepreneurship in the economy for 5-10 years that will stifle growth, we would urge Reform (UK) Party to form an electoral pact to deal for the 4 July general election.

But Reform UK Party seems to have long term plans and is quite content with being in the opposition for years in order to demolish the Conservative and Unionist Party for good. This in

itself would not be good for the country in the medium to long terms. Conservatism is a genuinely good idea whereas Reform Party is currently banging on superficialities such as immigration per se. It does not reveal its true agenda of ultra-right wing nationalist policies as can be seen here: <https://www.knowledgeassessmentanddissemination.com/post/my-continued-membership-of-reform-uk-party-update>

As a protest Party against the established parties Reform (UK) is fine, but it does not wish real change to the Constitution of the United Kingdom that TCLP-UK advocates, so what is the Party going to reform.

Bringing in a Populist leader in Nigel Farage is unsustainable in the long term unless Reform Party develops real substance and labels itself to what it stands for in terms of a genuine conceptual notion of what people would expect from the representation of its members in the House of Commons.

Having had two months of interactions with Reform UK Party as a Member I am not wanted in the Party as I was not wanted by United Kingdom Independence Party that Nigel Farage led. I only voted for Brexit as I believe that the country needs to be independent free from outside interferences.

My mind is made up now. I will not vote for Reform UK Party. I will vote for the Conservative and Unionist Party which comes closest to the way TCLP-UK sees a government to be run; until of course TCLP-UK is able to acquire members and contest elections. This would take decades, I foresee.

Forming an electoral pact can strengthen political influence, just like a baby playpen provides a secure space for growth. Unity and strategy are key to achieving long-term success.

Collaboration ensures stability, much like a well-structured support system for progress.

CRIME STOPPERS OF THE UNITED KINGDOM

PREFACE

I have been investigating crime in the United Kingdom over the past 27 years and from the response of Kent Police to the following submission, they have recognised my contribution to peaceful existence with the eradication of corruption and more serious crime which has been the hallmark of the nation for centuries. Now truth, justice and democracy is in vogue and here is to working with Kent Police as a vigilante to investigate crimes and prevent it escalating.

There are so many things wrong with the world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived.

Further to the email that I sent Kent Police copied to the Court earlier this evening, there has been no reply from Kent Police: see link:

Additionally, HMRC and Ford Motor Company need to be added to the (a-z) as separate items that Kent Police should have to investigate as attached:

The Financial Ombudsman is acting most deceitfully and duplicitously as you will note from the correspondence I just received to protect the Bank (I have no idea which Bank is being referred to).

Dear Sirs

A year or so ago we had arranged for the £400 Fine to be abolished from the explanation that I had provided HMRC; yet it seems to me to have reemerged in my Account as shown in the screenshot spread over two years. Or why else would HMRC determine that my company did not require to pay any taxes from 2023 to 2025 but during 2022 it was required to pay.

It seems to me that some error was made during my submission of Company Tax Returns for 2022 which led to the £200 x 2 tax being imposed.

Please clarify.

REFERRAL FROM ALLEN MOTORS GROUP DEALERSHIP (Warren Hornigold)

Shantanu Panigrahi

From: shantanupanigrahi@yahoo.com

To: GBR - CRC EmailBox

Tue 14 Jan at 11:54

Dear Sirs

I do not appreciate it when Warren Hornigold passes the buck for what is clearly a Dealership issue to do with the marketing of a dodgy car in 2023 to my wife who is not a motor mechanic.

On top of that why did Mr Hornigold send me a ford focus information when the matter reported to UK Ford referred to Ford Fiesta purchased in the summer of 2023. If the Service Plan did not include servicing of the state of the battery that should have been made clear.

As already mentioned to you we have had Fords cars for 40 years and never has the treatment been so poor.

The email that I sent you clearly referred the Model Number of Ford Fiesta as EN69HNV registered in my wife's name as she is the main bread earner of the family.

The £230 demand that I made to Ford is non-negotiable and Slater and Gordon solicitors are well versed in car affairs. They should have taken this case over.

All in all although my knowledge of cars is poor, it is possible that the State authorities who have terrorised me for the past 26 years have tampered with the car during the process of trying to repair the car that this Ford Fiesta replaced in 2023 with excuses that they could not get parts after 4-5 weeks in order to force us to buy a new car. The correspondence that I have had with Slater and Gordon proves what I am alleging as attached: FrSlater&Gordon(NO NEWS IS GOOD NEWS_FordKentPoliceMedCtyCrt.docx.

I have waited and waited for my apology and £300 million in damages and compensation from the United Kingdom Treasury and still no Court under J00ME572 or E35YM660 is budging. All I get from every institution of the State is prevarication and terrorism of annoyance.

Dear Stripe

The Conservative Libertarian Publications Limited pays Company Tax in the United Kingdom, and not to the United States authorities. I hope this is clear from the following extract:

Due to some criminals terrorizing me to destroy the Company the bottom two entries (01 July 2022; 31 July 2022) show a demand from HMRC on the Company for 2 x £200, which I am contesting when the matter comes up for a Court Hearing.

Dear Sirs

1. I believed that the matter referred to in your letter to me that I received in the post this morning as attached (FrHMRC(Document received in the post from HMRCPenalty) had been resolved by the Courts and that I did not have to pay anything to HMRC because the real culprits who had sabotaged my Company to render it dormant for the period of your penalty assessments) had been identified as working under cover of the Government of the United Kingdom as part of a national and international conspiracy of terrorism against me during the past 26 years for which the financial demand on the contrary is from the Treasury of the United Kingdom to be made payable to me as the victim is £100 million immediately especially in light of the lack of acknowledgement from KMPT PALS to the attached queries that I raised:
 ToKMPTPALS(APPOINTMENT LETTER FROM BRITTON HOUSE FOR 11 AM 22 APRIL 2024)5Apr2024.

2. Kindly confirm this understanding of mine at this point in time.

Please pay now – penalty still overdue £400

We wrote to you recently about your overdue Corporation Tax penalty.

We still haven't received your payment

It's important you pay or contact us now if you can't pay. If you don't, it could cost you more money.

Please pay now

You will find everything you need online:

- . Go to GOV.UK and search 'paying HMRC'
- . choose 'pay your Corporation Tax bill.'

Check your payment reference before you pay

It is important you use the right reference so we can allocate your payment correctly.

You'll find the correct reference in the 'How to pay' section on the enclosed statement. It will look something like this: 0123456789A00101A (this is an example not your reference).

Your payment reference changes with each accounting period, so you'll need to use a different one each time you pay.

If you use a banking app, make sure you don't reuse a previous reference.

If you can't pay now

Please call our customer support advisor on 0300 200 3845 (Monday to Friday, 8am to 6pm).

If you still haven't filled your return

Please do so now. If you don't, we may charge you further penalties. We could also estimate how much Corporation Tax you need to pay – this is called a 'determination'.

You can find information on determinations online – go to GOV.UK and search 'determinations if you don't file'.

If you don't pay or contact us

We can take action to collect what you owe, but we only do this as a last resort. We want to work with you to find a way to pay – please contact us now to discuss available support.

For more information, go to GOV.UK and search 'If you do not pay your tax bill'.

If you have already paid

Thank you. Please allow 5 working days for your online account to update. You don't need to contact us if this shows your tax is up to date.

How to avoid penalty charges in the future

Please file your Company Tax Return – and pay the tax you owe on time.

You can read more about late-filing penalties online. Go to GOV.UK and search 'corporation tax penalties'.

If you have someone who helps you with your tax, you may want to show them this letter.

Yours faithfully

Officer of Revenue and Customs

In order for me to prepare for this Meeting, could Dr Oranusi assess the latest diagnosis of my mental disorder and send me a Report urgently based on the questions that are raised above, for I have received another intimidatory letter this morning from HMRC reimposing the £400 penalty on my Company, The Conservative Libertarian Publications Limited that has written 187 eBooks which I am in the process of marketing and distributing worldwide through my website: <https://theallurementofrealityinreview.com/shop>.

HMRC

I refer to your letter dated 1 February 2024 that I found on return to our house from a holiday in India on the 18 of February 2024, issuing a fine of £400 for failure to deliver a return or returns

This matter is under a legal dispute at the Central London County Court for systematic undermining of my company by distorting the website facilities to enable me to file the Returns as I have reported to HMRC in the past. The Case Number at this Court is E35YM660.

The relevant documentary evidence that I am relying on is attached:

(i) 677434031990.docx

(ii) HMRC Doc received in the post 21 Dec2023.docx

(iii) ToCompaniesHouse (Issue with HMRCwebsite)21Dec2023.docx

(iv) FrCompaniesHouse (Your Communication with Companies House)21Dec2023.docx

(v) ToCompaniesHouseccHMRCWix.com(TCLPWorksSystemfullyfunctional)5Dec2023.docx.

As you will note from (i) I was once again not allowed to file the Company Tax Returns to HMRC this morning.

Your immediate attention is requested as this has been going on for 2 years of the undermining of my company.

Yours sincerely

Hello SHANTANU PANIGRAHI

Thank you for contacting HMRC.

There are no identifiers on the email you sent into us. So I am unable to check the record, however I can advise the following:

If you are unable to continue to file with HMRC using the 'Resume' button after filing accounts successfully to Companies House, as a joint filing submission, it may be that your responses to certain eligibility criteria questions don't match the HMRC service filing limits.

On the 'about the company' page, you will have seen and responded to these questions:

Was the turnover £632k or less?

Was the balance sheet total £316k or less?

Did the company have an average of 10 or fewer employees during the period?

If you responded 'No' to the turnover question (perhaps in error), this will now prevent you from continuing to file with HMRC, as HMRC has a £632k turnover limit for the service.

If you are still unable to resume the joint filing return, you will need to start a new return for HMRC. To start a new return you will need to go to the 'Track your submissions' page and select the 'Create a new submission' button.

If you have already filed accounts with Companies House for this period please select the 'HMRC Only' filing option on the 'Choose your filing type' page.

If further assistance is required please send in a screen shot of the 'Track your submissions' page and provide the company identifiers, i.e. Company Registration Number and company name.

Kind regards

HMRC (His Majesty's Revenue and Customs) has just now sent me a demand in the post as uploaded here: [HMRC_Repeat Demand.pdf](#), when I had already filed the Returns a few months ago for 2021-2022 which it diverted to Companies House for auditing automatically ([HMRevenueCustomsCorporationTax.pdf](#)). Further Companies House has been kept fully informed of the circumstances of the matter in the attached emails ToCompaniesHouseHMRC(Waiting for your reply); To Companies HouseccKentPoliceCCKatrinaSale

So if this is not State-organised persecution, what is HMRC playing at?

You need to file your Company Tax Return for 2 July 2021 to 1 April 2022 by 1 April 2023

We wrote to you on 22 May 2022 to tell you that your company needs to file one or more returns for the period specified in that letter. We also advised you to pay any Corporation Tax amount you owe.

Our records show we haven't received your Company Tax Return. You must file a return for the period above, even if your company is dormant (has not traded) or has nil profit.

If the company has Corporation Tax to pay, you should do this now. We charge interest on late payments.

How to file your Company Tax Return

You must file your Company Tax Return electronically. To file online, go to **GOV.UK**, search 'Company Tax Returns' and select 'file your accounts and Company Tax Returns'. If you're not already registered to file online, you can also find instructions here on how to register.

Your return also needs to include the appropriate attachments in the right format. For more details on this, go to **GOV.UK** and search 'format for accounts forming part of a Company Tax Return'.

If your company is dormant, go to **GOV.UK** and search 'dormant companies and associations'.

If you're late filing your Company Tax Return you may have to pay a penalty.

Your return also needs to include the appropriate attachments in the right format. For more details on this, go to **GOV.UK** and search 'format for accounts forming part of a Company Tax Return'.

If your company is dormant, go to **GOV.UK** and search 'dormant companies and associations'.

If you're late filing your Company Tax Return you may have to pay a penalty.

The table below shows the penalty we'll charge you if you do not file your return on time.

| Filing late by: | We'll charge you a penalty of: |
|-----------------|---|
| 1 day | £100 |
| 3 months | Another £100 |
| 6 months | We'll estimate your Corporation Tax bill and add a penalty of 10% of the unpaid tax |
| 12 months | Another 10% of any unpaid tax |

If your tax return is late 3 times in a row, the £100 penalties are increased to £500 each.

How to pay if the company owes Corporation Tax

You'll find everything you need to pay online:

- go to **GOV.UK** and search 'pay your Corporation Tax bill'
- choose your payment method and follow the instructions

If you're asked for an account number when paying, use 12001020 with sort code 08-32-10. The account name is HMRC Shipley.

Check your payment reference before you pay

- When you pay, you must use the 17-digit payment reference shown at the top of this letter.
- Your reference changes with each accounting period, so only use the payment reference at the top of this letter.
- If you're using a banking app to pay, make sure you do not reuse a previous reference.

If you have already sent us your return and paid any tax due, thank you. You do not need to do anything else.

Dear Sirs

1. I am not sure if Companies House is aware that the publications of the Conservative Libertarian Publications Limited have been suspended by Lulu Publications after 88 eBooks and 88 print books were on sale and all the data including accounts contained in a desktop, a laptop and two USB Memory Sticks since 24 November 2021 o date have been seized by Kent Police for its investigations of alleged malicious communications emanating from emails received apparently by Katrina Sale of the Conservative and Unionist Party, BLM Law and BP (British Petroleum) for Police investigations. These investigations seem unending, and I am the prime suspect from all accounts: see attached NorthKentPoliceReleasewithoutBail.pdf; KENTpOLICE CHARGE REFUSED sHANTANU pANIGRAHI.pdf.

2. The Company has currently therefore frozen its work and is disbanded pending the results of the International Criminal Court's investigation who currently have possession of all the documentary evidence relating to this matter so that you should approach the International Criminal Court for its response.: Court Reference No: Information Received - Review Letter - OTP-CR-76/22. This matter is part of a systematic campaign to undermine the work of the Company and it is associated with wider terroristic activities in the area of employment by ASDA, Sainsburys, Tesco to name a few - see link here: Your job interview's been cancelled (knowledgeassessmentanddissemination.com) <https://www.knowledgeassessmentanddissemination.com/post/your-job-interview-s-been-cancelled> in relation to the attached: FrASDA(YourApplicationforOnlineServiceColleagueRejected)5Dec2022.

3. As such as the sole Director of the company, no accounts will be filed to Companies House or HMRC until the seized devices are returned to 3 Hoath Lane Wigmore, Gillingham, Kent ME8 0SL.

4. Please let me know the procedure to follow to have this fraud to the undermine the Company investigated by Companies House

5. I trust I have obeyed all the requirements needed by the Companies House and HMRC as Director of the Company, but if there is anything further required from me please let me know without delay.

Dear Dr Oranusi

In preparation for our appointment at 10.45 am 3 March 2025 at Britton House, I wish to draw your attention to the legal matters that have not been resolved to my satisfaction as Kent Police is not responding to my numerous complaints under its Case No CO/999/23 and similarly the Office of the Police and Crime Commissioner is silent.

Over the years I had asked for a letter of apology and damages and compensation from the United Kingdom Treasury for the State-engineered police brutality, victimisation for pursuing the University of Greenwich through the Courts for my £55,000 severance pay, criminal anonymous

email based terrorism on me by M15/M16, religious persecution for living like a Hindu, obstruction of Justice no matter which Court or Institution I had approached and the blatant perverting of justice by District Judge Lightman in awarding £4170 costs to the Cabinet Office under my Claim E35YM660 at the Central London County Court against successive Prime Ministers.

Finally it occurred to me that I was not making any progress because the Monarch does not owe any subject an apology, let alone damages and compensation for my ill-treatment: that is the lesson that one learns. I had once asked for <https://archive.org/details/apologise-and-pay-compensation-digital-2> https://archive.org/details/damages-and-compensation-sought-digital_20241119; https://archive.org/details/dictatorial-monarch-in-the-united-kingdom-digital_202405 and https://archive.org/details/that-is-what-is-called-an-absolute-monarch-digital_202411

So on 1 January 2025 I withdrew my Claim for an apology and damages and compensation from Kent Police as shown here:

Further to the email that I sent Kent Police copied to the Court earlier this evening, there has been no reply from Kent Police: see link:

Additionally, HMRC and Ford Motor Company need to be added to the (a-z) as separate items that Kent Police should have to investigate as attached:

Dear Sirs

A year or so ago we had arranged for the £400 Fine to be abolished from the explanation that I had provided HMRC; yet it seems to me to have reemerged in my Account as shown in the screenshot spread over two years. Or why else would HMRC determine that my company did not require to pay any taxes from 2023 to 2025 but during 2022 it was required to pay.

It seems to me that some error was made during my submission of Company Tax Returns for 2022 which led to the £200 x 2 tax being imposed.

Please clarify.

REFERRAL FROM ALLEN MOTORS GROUP DEALERSHIP (Warren Hornigold)

Shantanu Panigrahi

From: shantanupanigrahi@yahoo.com

To: GBR - CRC EmailBox

Tue 14 Jan at 11:54

Dear Sirs

I do not appreciate it when Warren Hornigold passes the buck for what is clearly a Dealership issue to do with the marketing of a dodgy car in 2023 to my wife who is not a motor mechanic.

On top of that why did Mr Hornigold send me a ford focus information when the matter reported to UK Ford referred to Ford Fiesta purchased in the summer of 2023. If the Service Plan did not include servicing of the state of the battery that should have been made clear.

As already mentioned to you we have had Fords cars for 40 years and never has the treatment been so poor.

The email that I sent you clearly referred the Model Number of Ford Fiesta as EN69HNV registered in my wife's name as she is the main bread earner of the family.

The £230 demand that I made to Ford is non-negotiable and Slater and Gordon solicitors are well versed in car affairs. They should have taken this case over.

All in all although my knowledge of cars is poor, it is possible that the State authorities who have terrorised me for the past 26 years have tampered with the car during the process of trying to repair the car that this Ford Fiesta replaced in 2023 with excuses that they could not get parts after 4-5 weeks in order to force us to buy a new car. The correspondence that I have had with Slater and Gordon proves what I am alleging as attached: FrSlater&Gordon(NO NEWS IS GOOD NEWS_FordKentPoliceMedCtyCrt.docx.

I have waited and waited for my apology and £300 million in damages and compensation from the United Kingdom Treasury and still no Court under J00ME572 or E35YM660 is budging. All I get from every institution of the State is prevarication and terrorism of annoyance.

The Conservative Libertarian Publications Limited pays Company Tax in the United Kingdom, and not to the United States authorities. I hope this is clear from the following extract:

Due to some criminals terrorizing me to destroy the Company the bottom two entries (01 July 2022; 31 July 2022) show a demand from HMRC on the Company for 2 x £200, which I am contesting when the matter comes up for a Court Hearing.

Dear Sirs

1. I believed that the matter referred to in your letter to me that I received in the post this morning as attached (FrHMRC(Document received in the post from HMRCPenalty) had been resolved by the Courts and that I did not have to pay anything to HMRC because the real culprits who had sabotaged my Company to render it dormant for the period of your penalty assessments) had been identified as working under cover of the Government of the United Kingdom as part of a national and international conspiracy of terrorism against me during the past 26 years for which the financial demand on the contrary is from the Treasury of the United Kingdom to be made payable to me as the victim is £100 million immediately especially in light of the lack of acknowledgement from KMPT PALS to the attached queries that I raised: ToKMPTPALS(APPOINTMENT LETTER FROM BRITTON HOUSE FOR 11 AM 22 APRIL 2024)5Apr2024.

2. Kindly confirm this understanding of mine at this point in time.

Please pay now – penalty still overdue £400

We wrote to you recently about your overdue Corporation Tax penalty.

We still haven't received your payment

It's important you pay or contact us now if you can't pay. If you don't, it could cost you more money.

Please pay now

You will find everything you need online:

. Go to GOV.UK and search 'paying HMRC'

. choose 'pay your Corporation Tax bill.'

Check your payment reference before you pay

It is important you use the right reference so we can allocate your payment correctly.

You'll find the correct reference in the 'How to pay' section on the enclosed statement. It will look something like this: 0123456789A00101A (this is an example not your reference).

Your payment reference changes with each accounting period, so you'll need to use a different one each time you pay.

If you use a banking app, make sure you don't reuse a previous reference.

If you can't pay now

Please call our customer support advisor on 0300 200 3845 (Monday to Friday, 8am to 6pm).

If you still haven't filled your return

Please do so now. If you don't, we may charge you further penalties. We could also estimate how much Corporation Tax you need to pay – this is called a 'determination'.

You can find information on determinations online – go to GOV.UK and search 'determinations if you don't file'.

If you don't pay or contact us

We can take action to collect what you owe, but we only do this as a last resort. We want to work with you to find a way to pay – please contact us now to discuss available support.

For more information, go to GOV.UK and search 'If you do not pay your tax bill'.

If you have already paid

Thank you. Please allow 5 working days for your online account to update. You don't need to contact us if this shows your tax is up to date.

How to avoid penalty charges in the future

Please file your Company Tax Return – and pay the tax you owe on time.

You can read more about late-filing penalties online. Go to GOV.UK and search 'corporation tax penalties'.

If you have someone who helps you with your tax, you may want to show them this letter.

Yours faithfully

Officer of Revenue and Customs

In order for me to prepare for this Meeting, could Dr Oranusi assess the latest diagnosis of my mental disorder and send me a Report urgently based on the questions that are raised above, for I have received another intimidatory letter this morning from HMRC reimposing the £400 penalty on my Company, The Conservative Libertarian Publications Limited that has written 187 eBooks which I am in the process of marketing and distributing worldwide through my website: <https://theallurementofrealityinreview.com/shop>.

HMRC

I refer to your letter dated 1 February 2024 that I found on return to our house from a holiday in India on the 18 of February 2024, issuing a fine of £400 for failure to deliver a return or returns

This matter is under a legal dispute at the Central London County Court for systematic undermining of my company by distorting the website facilities to enable me to file the Returns as I have reported to HMRC in the past. The Case Number at this Court is E35YM660.

The relevant documentary evidence that I am relying on is attached:

- (i) 677434031990.docx
- (ii) HMRC Doc received in the post 21 Dec2023.docx
- (iii) ToCompaniesHouse (Issue with HMRCwebsite)21Dec2023.docx
- (iv) FrCompaniesHouse (Your Communication with Companies House)21Dec2023.docx
- (v) ToCompaniesHouseccHMRCWix.com(TCLPWorksSystemfullyfunctional)5Dec2023.docx.

As you will note from (i) I was once again not allowed to file the Company Tax Returns to HMRC this morning.

Your immediate attention is requested as this has been going on for 2 years of the undermining of my company.

Yours sincerely

Hello SHANTANU PANIGRAHI

Thank you for contacting HMRC.

There are no identifiers on the email you sent into us. So I am unable to check the record, however I can advise the following:

If you are unable to continue to file with HMRC using the 'Resume' button after filing accounts successfully to Companies House, as a joint filing submission, it may be that your responses to certain eligibility criteria questions don't match the HMRC service filing limits.

On the 'about the company' page, you will have seen and responded to these questions:

Was the turnover £632k or less?

Was the balance sheet total £316k or less?

Did the company have an average of 10 or fewer employees during the period?

If you responded 'No' to the turnover question (perhaps in error), this will now prevent you from continuing to file with HMRC, as HMRC has a £632k turnover limit for the service.

If you are still unable to resume the joint filing return, you will need to start a new return for HMRC. To start a new return you will need to go to the 'Track your submissions' page and select the 'Create a new submission' button.

If you have already filed accounts with Companies House for this period please select the 'HMRC Only' filing option on the 'Choose your filing type' page.

If further assistance is required please send in a screen shot of the 'Track your submissions' page and provide the company identifiers, i.e. Company Registration Number and company name.

Kind regards

HMRC (His Majesty's Revenue and Customs) has just now sent me a demand in the post as uploaded here: HMRC_Repeat Demand.pdf, when I had already filed the Returns a few months ago for 2021-2022 which it diverted to Companies House for auditing automatically (HMRevenueCustomsCorporationTax.pdf). Further Companies House has been kept fully informed of the circumstances of the matter in the attached emails ToCompaniesHouseHMRC(Waiting for your reply); To Companies HouseccKentPoliceCCKatrinaSale

So if this is not State-organised persecution, what is HMRC playing at?

You need to file your Company Tax Return for 2 July 2021 to 1 April 2022 by 1 April 2023

We wrote to you on 22 May 2022 to tell you that your company needs to file one or more returns for the period specified in that letter. We also advised you to pay any Corporation Tax amount you owe.

Our records show we haven't received your Company Tax Return. You must file a return for the period above, even if your company is dormant (has not traded) or has nil profit.

If the company has Corporation Tax to pay, you should do this now. We charge interest on late payments.

How to file your Company Tax Return

You must file your Company Tax Return electronically. To file online, go to **GOV.UK**, search 'Company Tax Returns' and select 'file your accounts and Company Tax Returns'. If you're not already registered to file online, you can also find instructions here on how to register.

Your return also needs to include the appropriate attachments in the right format. For more details on this, go to **GOV.UK** and search 'format for accounts forming part of a Company Tax Return'.

If your company is dormant, go to **GOV.UK** and search 'dormant companies and associations'.

If you're late filing your Company Tax Return you may have to pay a penalty.

Your return also needs to include the appropriate attachments in the right format. For more details on this, go to **GOV.UK** and search 'format for accounts forming part of a Company Tax Return'.

If your company is dormant, go to **GOV.UK** and search 'dormant companies and associations'.

If you're late filing your Company Tax Return you may have to pay a penalty.

The table below shows the penalty we'll charge you if you do not file your return on time.

| Filing late by: | We'll charge you a penalty of: |
|-----------------|---|
| 1 day | £100 |
| 3 months | Another £100 |
| 6 months | We'll estimate your Corporation Tax bill and add a penalty of 10% of the unpaid tax |
| 12 months | Another 10% of any unpaid tax |

If your tax return is late 3 times in a row, the £100 penalties are increased to £500 each.

How to pay if the company owes Corporation Tax

You'll find everything you need to pay online:

- go to **GOV.UK** and search 'pay your Corporation Tax bill'
- choose your payment method and follow the instructions

If you're asked for an account number when paying, use 12001020 with sort code 08-32-10. The account name is HMRC Shipley.

Check your payment reference before you pay

- When you pay, you must use the 17-digit payment reference shown at the top of this letter.
- Your reference changes with each accounting period, so only use the payment reference at the top of this letter.
- If you're using a banking app to pay, make sure you do not reuse a previous reference.

If you have already sent us your return and paid any tax due, thank you. You do not need to do anything else.

Dear Sirs

1. I am not sure if Companies House is aware that the publications of the Conservative Libertarian Publications Limited have been suspended by Lulu Publications after 88 eBooks and 88 print books were on sale and all the data including accounts contained in a desktop, a laptop and two USB Memory Sticks since 24 November 2021 o date have been seized by Kent Police for its investigations of alleged malicious communications emanating from emails received apparently by Katrina Sale of the Conservative and Unionist Party, BLM Law and BP (British Petroleum) for Police investigations. These investigations seem unending, and I am the prime suspect from all accounts: see attached NorthKentPoliceReleasewithoutBail.pdf; KENTPOLICE CHARGE REFUSED SHANTANU pANIGRAHI.pdf.

2. The Company has currently therefore frozen its work and is disbanded pending the results of the International Criminal Court's investigation who currently have possession of all the documentary evidence relating to this matter so that you should approach the International Criminal Court for its response.: Court Reference No: Information Received - Review Letter - OTP-CR-76/22. This matter is part of a systematic campaign to undermine the work of the Company and it is associated with wider terroristic activities in the area of employment by ASDA, Sainsburys, Tesco to name a few - see link here: Your job interview's been cancelled (knowledgeassessmentanddissemination.com)
